POSTER SESSION AT THE 2019 PORK SHOW
Call for Abstracts
Deadline: September 27, 2019

Swine Innovation Porc invites researchers and students involved in Swine Cluster 2 or 3 research projects to submit abstracts for a poster session that will take place at the 2019 Pork Show in Quebec City.

Swine Innovation Porc is proud to partner with the Pork Show once again to deliver a poster session. This event will give researchers and students an opportunity to present Swine Cluster research results to industry stakeholders attending one of the biggest pork events in Canada.

When and where will the poster session take place?
The Pork Show will take place at the Quebec City Convention Centre. Posters will be available for public viewing in the Pork Show's registration hall from 3:00 pm to 7:30 pm on December 10 and from 7:30 am to 6:00 pm on December 11.

How do I submit my abstract?
Abstracts may be submitted in French or English and should be focused on work carried out within the Swine Cluster 2 or 3 program. As the Pork Show is an industry event, presenting the work for a general audience is strongly encouraged. Abstracts will be retained using several assessment criteria, including: overall quality, applicability of the work for end users, and accessibility for a general audience.

Abstracts should be submitted by email at info@swineinnovationporc.ca .The deadline is **September 27, 2019**.

What are the abstract guidelines?

Priority will be given to abstracts related to Swine Cluster 2 and 3 projects. All submissions should contain comprehensive information and include the following:

- Title
- Authors and their affiliations
- Background
- Results and discussion (can be in separate sections)
- Conclusions
- Take home messages

Abstracts should not exceed 450 words. If your abstract is retained, you will be then invited to prepare a poster. Posters should be a standard size: 48" long by 36" high.

What if I already have a poster?

If you have recently presented a poster related to your work within Swine Cluster 2 or 3, you are invited to submit this poster for the 2019 Pork Show. Please note the following guidelines for pre-existing posters:

- Posters may be in French or English.
- Posters may be submitted via email (at info@swineinnovationporc.ca) in PDF format. Please include the poster's dimensions and layout, i.e. portrait or landscape.
- Posters will be evaluated using the same criteria used to judge abstracts.
- If retained, modifications may be requested in order to comply with space restrictions and event requirements.

What is the Pork Show?

The Pork Show is a popular industry tradeshow held annually in Quebec City. Last year, over 1000 representatives from the pork sector attended the event. In addition to an exposition area, a number of lectures and breakout sessions, as well as networking opportunities, will take place over two days.

The Pork Show is a bilingual event, where simultaneous translation is available for all presentations. For more information about the Pork Show, please visit the website at: www.leporcshow.com/en.

Do I need to register?

One participant per retained poster will be asked to register for the Pork Show at a special rate. If your abstract is retained for the poster session, we will provide more details on how to register.

Questions?

If you have any questions about the poster session, please do not hesitate to contact the Research Coordinator Marie Vachon at mvachon@swineinnovationporc.ca.
